Guidelines for the videos

Videos - MONTUS experience

- Goal : produce a 180 seconds video that explains what you learnt from MONTUS!
- Steps :
 1. Use the google slide template to prepare a 3-4 slides presentation
 - slide 1 : the name of the course, your name(s) and affiliation
 - following 1 or 2 slides : **content explaining what you learnt from MONTUS**
 - you can use text, schemas, images ...
 - last slide : references if needed (be careful of licences when reusing resources)
 2. Use zoom to record the video
 - share the slides on zoom
 - display or not your camera (as you want)
 - record the video that should not be more than 180 seconds
 - speak on slide 1 for 10 to 30 seconds
 - speak on slides 2-3 for 140 to 160 seconds
 - show the reference slide if needed for 10 seconds
